PRESS RELEASE

The Head of School of Association International School (AIS) wishes to announce with pleasure the incorporation and launch (in the nearest future) of its Alumni Association known as **ASSOCIATION INTERNATIONAL SCHOOL ALUMNI GROUP (“AISAG”)**

AISAG is the only recognized and acknowledged Alumni Group of Association International School and **AIS** hereby wishes to invite all old students to visit the AISAG website at www.aisag.org which is soon to be launched officially.

AIS and AISAG encourage all old students to submit pictures, memorabilia, narratives, experiences and any other article or item of interest to be placed on the AISAG website for which all contributors will be credited.

AIS and AISAG intend to have the website fully populated with the relevant information before its official launch.

Old students are hereby encouraged to submit any stories, pictures, narratives, memorabilia and experiences first through the Administrator of the AISAG Secretariat via the email address corpsec@aisag.org. You may also reach us via telephone on **0546693666** or **0204080431** for all enquiries.

For screening purposes, please note that all contributors should state in full, their names, year of attendance and a brief narrative (for example about experiences at Association etc.) of what they are sending and the reason for which they are sending. Jokes are also welcome.

AISAG is here to bring us all together as partners now though we were mates then.

Thank you.

Head of School
